EQUIPMENT AND SUPPLIES SALES

No equipment or supplies shall be disposed of until permission has been received from the School Board. The Board shall determine whether the material involved has salable value and, if such shall be the case, it shall authorize the sale of the material. If the material does not have salable value, the proper disposal of the books, equipment and/or supplies shall be determined by the Board.

Disposal of equipment purchased with Grant money must be disposed of in accordance with current Federal Guidelines. All other equipment shall be disposed of as outlined below.

SCHOOL PROPERTIES DISPOSAL PROCEDURE

The Board authorizes disposition of obsolete items according to the following priority actions:

1. By selling to the highest bidder or whatever other business arrangement is in the best interest of the School District.
2. When practicable, the Board shall donate such items to charitable organizations and schools.
3. By giving such items to local citizens.
4. By removal to the town dump.

Sale of real estate will be by the vote of the electorate of the School District at an annual or special School District meeting and the revenue derived therefore will be returned to the general fund to defray costs of current expenses.

Fixed asset inventories will be amended to reflect changes in values through disposal.
