**PUBLIC INPUT POLICY**

Meetings of the Gilmanton School Board are open to the public but are not usually scheduled as public hearings. While the School Board wants and needs public input on interests of concern to the school community, it must also strike a balance to make sure that it can finish its business in the limited time available to it. With that in mind, the Board will:

- A. Schedule brief public comment sessions on each of its regular meeting agendas (the second Tuesday of the month).
- B. Trust that members of the public will understand if the Board is unable to respond immediately to an inquiry because of the press of other business, the fact that the Board has not had a chance to discuss the subject of the inquiry or because the Board is unable to respond on a matter that is legally treated as confidential, such as a personnel issue.

Thank you for your understanding.
